

## **Gyumri Project Hope: Code of Conduct**

In addition to being a catalyst for the urban renewal of Gyumri:

1. GPH promotes transparency, good governance, and the advancement of non-corrupt business practices;
2. GPH's primary objective is the improvement of the lives of the people of Gyumri and the physical renewal of city and its surroundings;
3. GPH will act with honesty and integrity and in accordance with any professional standards and/or governing laws and legislation of the land (Armenia);
4. GPH will avoid conflicts of interest (especially pertaining to financial matters), the expectation is that all related parties, both contractual and affiliated, will do the same;
5. Improvements to the City of Gyumri are encouraged by promoting both physical urban renewal and the advancement of tourism and related businesses, and the creation of educational and employment opportunities for the people of Gyumri;
6. GPH, inclusive of its Board of Directors and Staff assume responsibility for their actions and decisions;

GPH stands by its Code of Conduct and fully expects all counter-parties and affiliates to adhere to it as well. The people of Gyumri will benefit the most with transparency and honest practice.
